1. Introduction

Local authorities (LAs) **do not** have to provide free or subsidised Post-16 travel support but do have a duty to prepare and publish an annual transport policy statement specifying the arrangements for the provision of travel or other support that the authority considers it necessary to make to facilitate the attendance of all persons of sixth form age receiving education or training.

All young people carrying on their education Post-16 must reapply for travel support.

'Sixth form age' refers to those young people who are over 16 years of age but under 19 or continuing learners who started their programme of learning before their 19th birthday (Year 12, 13, 14).

Local authorities also have a duty to encourage, enable and assist young people with learning difficulties / disabilities to participate in education and training, up to the age of 25.

This policy uses the term 'Post-16' to include both learners of sixth form age and those with learning difficulties / disabilities up to the age of 25.

This policy document specifies the support that Leicester City Council considers necessary to facilitate the attendance of Post-16 learners receiving education or training.

Education or training refers to learning or training at a school, further education institution, a council maintained or assisted institution providing higher or further education, an establishment funded directly by the Education Skills Funding Agency, and learning providers delivering accredited programmes of learning which can lead to positive outcomes and are funded by the council, for example, colleges, charities and private learning providers.

2. Aims and objectives

This document describes the support available to young people of Leicester entering or continuing with full-time Post-16 Education. It gives information from the local authority, schools, academies, and further education colleges and other relevant sources.

The aim is to provide the most up to date details of the support available from various sources to encourage participation and prevent travel being a barrier to young learners.

This statement gives advice on the types of support available to learners with learning/mobility difficulties and explains the commitment to encourage independent travel to and from the place of learning.

The provision of transport assistance to Post-16 students will support those students wishing to continue in education as part of the Raising Participation Age legislation.

3. Transport and travel support

Concessionary tickets for young people 16 – 25 from public transport providers

Many local operators have student season tickets available offering discounts compared to normal adult fares and/or at cheaper rates when bought on a termly or academic year basis. It is advised students contact the bus-operators directly as below:

Bus Operators

- [Arriva website](#)
- [Centrebus website](#)
- [First Leicester website](#)
- [Kinchbus website](#)
- [Stagecoach website](#)
- [Vectare website](#)

Train Services

Train services are available throughout Leicester and Leicestershire, with the option to purchase either a 16 - 17 saver railcard or 16 - 25 railcard to receive up to 1/3 off the price of eligible train tickets.

- [East Midlands Railway website](#)

Dedicated school buses

Similarly, some of Leicester and Leicestershire's mainstream schools have commercial school special services operating to them. More information can be found directly from your school and the main operators of such services are:

- [Beaver Bus – school buses website](#)
- [Roberts Travel Group - school transport website](#)
- [G.H.Watts – school buses website](#)

4. Travel support from schools and colleges

Some of Leicester's secondary schools, academies and sixth form/FE colleges have additional bus contract arrangements on which learners or their parents can purchase places. Some FE colleges also offer direct support to students. Arrangements vary between schools and colleges, so it is always best to check directly with the individual schools/colleges for details.

You can find details of all Leicester schools on the council's website (this will also give you a link to the school's individual website): [Schools Directory \(leicester.gov.uk\)](#)

5. Travel support from the government

5.1 The 16-19 Bursary Fund

The 16 to 19 Bursary Fund provides financial support to help young people overcome specific barriers to participation, so they can remain in education.

There are two types of 16 to 19 bursaries:

1. A vulnerable bursary of up to £1,200 a year for young people in one of the defined vulnerable groups below:
 - in care
 - care leavers
 - in receipt of Income Support, or Universal Credit in place of Income Support, in their own right
 - in receipt of Employment and Support Allowance or Universal Credit and Disability Living or Personal Independence Payments in their own right
 - discretionary bursaries which institutions award to meet individual needs, for example, help with the cost of travel, meals, books and equipment
2. Discretionary bursaries which institutions award to meet individual needs, for example, help with the cost of travel, meals, books and equipment

To be eligible for the discretionary bursary young people must:

- be aged 16 or over but under 19 at 31 August 2024 or

- be aged 19 or over at 31 August 2024 and have an Education, Health and Care Plan
- be aged 19 or over at 31 August 2024 and continuing on a study programme they began aged 16 to 18 ('19+ continuers')
- be studying a programme that is subject to inspection by a public body which assures quality (such as Ofsted), the provision must also be funded by either a government funding agency or the local authority

Schools and colleges are responsible for managing both types of bursary. Young people who want to apply for support from the bursary fund should contact their chosen school or college to make an application.

5.2 Young parents / Care to Learn

If you are a young parent under 20, Care to Learn support can help pay for your childcare and related travel costs, up to £180 per child per week, while you're learning.

Care to Learn support can help with the cost of:

- childcare, including deposit and registration fees
- a childcare 'taster' session (up to 5 days)
- keeping your childcare place over the summer holidays
- taking your child to the childcare provider

Types of childcare

The childcare provider must be Ofsted registered and can be a:

- childminder
- pre-school playgroup
- day nursery
- out of school club

If your child needs specialist childcare, the provider must also be on the Care Quality Commission's register for specialist provision.

If you want a relative to get Care to Learn support for looking after your child, they need to be both:

- providing registered childcare for children they're not related to
- living apart from you and your child

Payments

Childcare payments go directly to your childcare provider. Before your childcare provider can be paid:

- your childcare provider needs to confirm your child's attendance
- your school or college needs to confirm that you're attending your course

Payments for travel costs go to your school or college - they'll either pay you or arrange travel for you.

Payments will stop if:

- you stop attending your course
- you finish your course
- your child stops attending childcare

Eligibility

You can get Care to Learn support if:

- you're a parent under 20 at the start of your course
- you're the main carer for your child
- you live in England
- you're either a British citizen or a national of a European Economic Area (EEA) country
- your course is publicly funded (check with your school or college)
- your childcare provider is registered with Ofsted or the Care Quality Commission

Type of course

Care to Learn support is only available for courses in England that have some public funding.

This includes courses that take place in:

- schools
- school sixth forms
- sixth form colleges
- other colleges and learning providers, including Foundation Learning
- your community at Children's Centres

Young parents are also entitled to apply for an Under 19 Bus Only Ticket or for those aged 19 and over can apply for the 19-25 card.

For more information, please visit [Care to Learn scheme webpage \(GOV.UK\)](#)

6. Council support for young people without special educational needs or disabilities

Please note that there are **no free bus passes available for learners aged 16-19 through the city council**. However, a joint operator bus pass is available to purchase for Leicester resident pupils over statutory school age if the student is aged 16, 17 or 18 at the start of the college year.

The pass allows travel on multiple bus operators (including First and Arriva buses) to get to school/college within the Leicester flexi-area. Full details can be found on the [Choose How You Move website](#). Choose How You Move is a partnership project between Leicester City Council and Leicestershire County Council, funded by the Department for Transport.

If you only need to use a bus from one operator, you can purchase a season ticket directly from a commercial bus operator. You could get better value in terms of price and flexibility by purchasing a season ticket directly from a commercial bus operator. Before you apply for any bus pass, we strongly urge you to consider all the commercially available alternatives.

Most commercially available season tickets allow you to travel at any time and on any day including weekends.

Please visit the websites listed below for more information on commercial bus services in your area and the range of student season tickets and multi-trip tickets that are currently available. Please check these websites regularly for any special offers.

7. Council support for young people with special educational needs or a disability (SEND)

The government requires young people to continue in education or training until at least the end of the academic year in which they turn 18. The government has been clear that raising the participation age is not about increasing the statutory school leaving age as young people will be able to participate through a range of options.

For those young people with special educational needs, who have an EHCP, which indicates a transport need, they will continue to receive assistance with transport between the ages of 16 and 25. The local authority has a discretionary power to provide transport assistance to those over compulsory school age.

You can contact the SES team on:

Email ses-admin@leicester.gov.uk

Website: [SEND Local Offer \(Family Information website\)](#)

Many young people with SEND are able to travel independently or accompanied by a parent, carer, or guardian, using public transport, and the council cannot offer services to replace parental responsibility.

Our policy, in line with national statutory guidance, is to expect parents to carry out their responsibilities.

As part of the Preparing for Adulthood strategy, as detailed on our [Local Offer website](#), we support Young People with SEND with Independent Travel Training.

8. Apprenticeships

For students on traineeships or apprenticeships, the learning provider is responsible for ensuring that reasonable expenses are met in full where they are needed to overcome barriers to learning. These may include the cost of travelling to or from the place of learning or work placement. Please contact your learning provider for more information. Students may also be eligible for a bursary (see 5.1 The 16-19 Bursary Fund section above).

9. Those not in education, employment or training (NEET)

Connexions Leicester is a careers service for young people who live in Leicester City and are aged 16 to 19, or up to 25 for young people with special educational needs or disabilities (SEND).

Connexions also have specialist personal advisers who are trained to work with young people with SEND to help them make decisions about their future.

11. Applying for council travel support

Please note that there are **no free bus passes available for learners aged 16-19 through the city council**. However, a joint operator bus pass is available to purchase for Leicester resident pupils over statutory school age if the student is aged 16, 17 or 18 at the start of the college year. See Section 6 for further details around the joint operator pass.

To be sure of obtaining a pass from the start of the autumn term, students should apply as soon as possible after 1 July. If your application is received shortly before the start of term, students may not receive their pass in time for the start of their course. If a course depends on GCSE results, students should apply anyway and return the bus pass if the course is not taken up.

For SEND Transport requests, this will be addressed within the statutory assessment process for an Education, Health and Care Plan, for further information contact:
